For wire transfers, the publisher asks the customer to pay the fees for both the sender and the recipient bank to receive the full invoiced amount.
- it is the authors’ responsibility to submit their work in **correct English**. The APC does not include extensive English editing.

On behalf of all authors, I, as the corresponding author, certify that all authors approved the plan to submit to **Educational Process: International Journal**, the contents of the manuscript, the statements of data access, and being listed as an author.
